

IFR SKILLS MAINTENANCE PROGRAM

Keep your skills sharp as the day you took your checkride with a periodic proficiency program

One simulated flight a month helps pilots maintain the top 12 skills, which are grouped into simulated flight scenarios.

- Each flight emphasizes a different skill set
- Reduce cockpit workload with advanced tips
- Improve safety with glass cockpit procedures and disciplines
- Demystify autopilots and flight directors
- Maintain Instrument Currency

Diamond "G" Member Price: \$180
Non-member Price Per Session: \$240
Session includes:
1 hour of ground instruction
G1000 Flight Training Device
and instructor training for 1.5 hours
